Ok

Just remember these are "critical vendors" not every vendor. There should not be that many critical vendors for a hospital that is closing down. Usually an ongoing business has a number of critical vendors. Let me know if you have any questions.

Erin: what if we are missing invoices.  
one example is EPIQ, we only have the May invoice,  
how do we handle that, if this motion is to set an amount not to exceed??  
we might not have all the invoices for these critical vendors, and I don't want to be short

don't need addresses at this point just the total amount you need to pay for all prepetition amounts due to your critical vendors. Name and kind of service they are providing

Erin: also, do you need utility suppliers identified, or was that included in another motion?

Hi Marianne,  
John said you were the person I should reach out to to get some vendor-related information. If possible can you send me a list of your critical vendors and how much you owe these critical vendors (prepetition amounts that have not been paid). Basically, these are vendors that NGH will still need to deal with (until operations cease) and who would otherwise not provide NGH goods and services until they are paid these prepetition amounts that are due and owing.  
Let me know if you have any questions.
